National Treasury Internships 2024 Apply here

Description

The National Treasury Internship Program provides an unparalleled opportunity for highly motivated individuals to immerse themselves in various facets of the country's financial and economic landscape. Interns will work alongside seasoned professionals and experts in their respective fields, gaining exposure to critical projects, policies, and initiatives that shape the nation's economic trajectory.

Responsibilities

- **Research and Analysis:** Conduct in-depth research, data analysis, and economic modeling to support policy development and decision-making processes.
- **Project Support:** Assist in the execution and management of projects related to budgeting, public finance, taxation, and economic development.
- **Policy Development:** Contribute innovative ideas and insights towards the formulation and evaluation of economic policies and strategies.
- **Report Writing:** Prepare comprehensive reports, briefs, and presentations based on research findings and analyses.
- **Collaboration and Support:** Collaborate with cross-functional teams, providing support and input as required for various departmental initiatives.

Qualifications

- Pursuing or recent completion of a Bachelor's or Master's degree in Economics, Finance, Public Policy, Business Administration, or related fields.
- Strong analytical and quantitative skills with proficiency in data analysis tools and software.
- Excellent written and verbal communication skills.
- Ability to work both independently and collaboratively in a fast-paced environment.
- Demonstrated interest in public finance, economic development, and policy-making.

Job Benefits

- Mentorship from industry experts and senior professionals.
- Exposure to diverse projects and initiatives in the public finance domain.
- Networking opportunities within the National Treasury and government institutions.
- Competitive stipend and potential career growth opportunities.

Contacts

Interested candidates should submit a cover letter, resume, and academic transcripts via the National Treasury's official application portal. Shortlisted candidates will undergo a selection process, which may include interviews and assessments.
